MEND BROKEN TOYS WITH MAJORS CEMENT

BUY-LINES • by Nancy Sasser

A Weekly Sponsored Advertising Column of Interesting Things.

NEW YORK, N. Y., May 19th—Well, now let's see. You'll need one for the kitchen—for sealing lunch packages and for sticking down recipes in your cookbook. Then you'll want one for the desk, for mending torn letters and books and for sticking coins to letters for mailing and for sealing envelopes. Better get one for the medicine chest, too, for protecting bandages and keeping 'em clean. And dad's sure to want one down in his workshop or darkroom for all sorts of uses—so be sure—next time you go shopping to buy four rolls of "Scotch" Cellulose Tape. You'll find more than enough tricky household chores for all of 'em. Be sure, too, for your own protection, that you get "Scotch" Brand Tape in the gay Scotch plaid dispensers. It's the transparent tape that's crystal clear and seals without moistening. Practically every store has it now for just 25c.

These Two Creams for Your Special Skin-Needs!

"Have A Viceroy!"

It's only courtesy to ask a friend to have one of your cigarettes when you light up. And if it's a Viceroy you offer, a lively conversation is bound to ensue! I've tried it again and again... and always the ingenious filter, with which each VICEROY Cigarette is tipped, comes in for praise! And no wonder... for this unique filter tip not only checks resin, tar and other throat irritants OFF... but it keeps tobacco particles from flecking out of the cigarette! This eliminates the ugly mishaps of darkish crumbs of tobacco flecked onto nearby teeth... banishes the chance of loose cigarette paper stuck to lips. That's why I think VICEROYS are the SMART smoke for the SMART women... a fine blend of Turkish and domestic tobacco controlled by the clever filter tip so that smoking is neat, clean and fastidious! Ask your Tobacconist for VICEROYS... they're popular priced

Woe unto you if you have a too-dry skin and the cream you're using does nothing to help it... and likewise, woe unto you if your skin is too oily and the cream you use makes an exasperating condition worse! You both need special skin care, so here you are! YARDLEY Dry Skin Cleansing Cream for dry skins... YARDLEY Liquefying Cleansing Cream for oily ones! The Dry Skin Cleansing Cream is delightful to use... does "everything" you could ask of a cream... is a cleanser, and at the same time supplies beneficial oil for extra lubrication. Satisfying! LIQUEFYING CLEANSING CREAM is excellent as a cleanser, too, but this is important, it leaves no residue of greasiness. I could easily be ecstatic about the texture, fragrance and quality of both, but I'd much prefer you'd discover these additional charms for yourself. Just ask for the one that suits your skin-needs best at better stores. \$1.00 or \$2.00 a jar (plus tax)!

Looking for the "exactly right" gift for a "Sweet Girl Graduate"? Then consult your Leather Dealer now! Ask for a PRINCESS GARDNER REGISTRAR and give a gift that is as essential to a modern miss as a lipstick in the proper shade. No matter which REGISTRAR you choose, she'll be proud of it... from the one in Chevrins Lamb-skin at \$2.50, to one appropriately named "Black Glamour" at \$5.00 made in Vynilite (the very newest, nicest thing in plastic). Others, too up to \$7.50... in 5 fashion-right colors. Designed for efficiency, every REGISTRAR has transparent slides for identification cards... a secret pocket for memos, and a compartment for bills, coins and keys. Slim, smart and fashionable, a PRINCESS GARDNER REGISTRAR will solve that problem of "purse scrambling" and keep her "personal things" all in one neat, easy-to-find place!

Curly Ringlets for Baby!

Something delicate for an afternoon tea or snack? Try... JAM MARGUERITES

Beat two egg whites stiff, fold in 3 tbsp. raspberry jam—beat until blended. Add 2 drops BURNETT'S Lemon Flavor and 1/2 cup chopped nuts. Place spoonful on crackers—bake in a moderate oven (350 degrees F.) until delicately brown.

The two drops of BURNETT'S Lemon Flavor lend accent and sparkle to this simple dessert... exactly the same way the 28 other BURNETT'S Food Flavors spell s-u-c-c-e-s-s to scores of other RECIPES! Ask your Grocer to show you the full assortment of these BURNETT "flavor-wizards," they point the way to food that's adventurously tasteful and different! "I can't begin to tell you how much your 'tip-to-buy' a P. N. PRACTICAL FRONT CORSET means to me at Easter!" writes a BUY-LINES reader. She says that her tummy took its rightful place, that her waistline looked slimmer, that an embarrassing preponderance of flesh was streamlined into place... so that her new Easter suit fitted her perfectly. Why not take a hint from this lady's experience? A P. N. PRACTICAL FRONT CORSET can do wonders in figure control for YOU! The famous inner vest uplifts sagging stomachs... excess weight is redistributed so that inches are cut from your waist, bulges are, yes, FLATTENED! And all with nary a tug or a pinch of discomfort! Ask your Corset Shop for these wonderful foundations for the mature figure... or write Nancy Sasser, 271 Madison Ave., New York 16, N. Y., for name of nearest store.

Banish Moth-Monac!

HEX your woollens... and you've put the bugaboo on all moth-monac! This new anti-moth weapon is an odorless and non-inflammatory liquid that sprays on in a trice... to penetrate and protect every wool fiber of rugs, blankets, clothes and upholstery! A long series of scientific tests have proved positively that HEX-treated woollens CANNOT be harmed by moths... and you don't even have to bother about wrapping or storing them. Just hang woollens and HEX 'em... and then leave them alone until next Fall. They'll be in as good condition, as far as moths are concerned, as they are right now! Find HEX at Drug, Dept. or Hardware Stores... the best moth-protection BUL-LINE 1 can advise!

A Friend To Gardeners!

Spring Gardening can be fun, though you may find that your hitherto pampered skin gets chafed and itchy as you work outdoors. So why not enlist RESINOL Ointment to comfort and soothe irritation at wrists, neck and armpits... or the chafe of heavy work clothes, bramble scratches? Your skin will respond gratefully to delightfully refreshing cleansing with mild RESINOL Soap—followed by the soothing touch of famous, medicated RESINOL Ointment. It's a wonderful comforter, too, when you're "plagued" by itching and smarting or itchy poisoning or minor insect bites. Keep a cake of RESINOL Soap and a jar of RESINOL handy, and garden in comfort this summer!
